PM ST | Business Opportunities Summary

Organization	Program	RFP Release	Award Date
PdM CTIS	Combat Training Center (CTC) Tower Efforts	3rd Qtr FY20	4th Qtr FY20
PdM VTS	Gunnery Training Systems (GTS)	4th Qtr FY20	4th Qtr FY21

Note: All Dates are Tentative

Combat Training Center (CTC) Tower Efforts

The effort is for the procurement and installation for the replacement of four (4) of the five (5) of the original JRTC-IS towers and the repair of the foundation for Southern Tower with installation of a new network infrastructure (towers, antennas, mobile shelters, generators, etc.) for four (4) of the original towers and installation of new P25 MASTR V antenna system on Southern Tower.

The requirement for Joint Multinational Readiness Center (JMRC) is for the technology refresh of two (2) antenna subsystem for two (2) towers within the Hohenfels Training Area in Germany.

PM ST | Gunnery Training Systems (GTS)

Gunnery Training Systems (GTS) provides gunnery simulation training for crews and platoons in the Abrams Main Battle Tank, the Bradley Fighting Vehicle and the Stryker Mobile Gun System.

GTS will provide an acquisition and contract strategy for implementing a common product line approach in support of multiple gunnery simulation platforms. This implementation will address the development, production, tech refresh, concurrency, configuration management, and total life cycle management of the various GTS simulation systems.

This effort will include Risk Management Framework (RMF) certification/recertification and embedded training support.

ACQUISITION STRATEGY

- Acquisition Strategy: Competitive
- Contract Vehicle: Single award ID/IQ with multiple DOs
- Contract Type: FFP/CPFF

CURRENT CONTRACT/ORIGINAL DEVELOPER/OEM (IF RECOMPETE)

- New Procurement

PERIOD OF PERFORMANCE

- 7 Year Contract with additional 2 year delivery period
