DRAFT LETTER REQUEST FOR PROPOSAL (RFP)
STOCII-15-KOP-0001 Rev 2

**Live, Virtual, Constructive-Integrating Architecture
Enhanced Capability**

The Program Executive Officer for Simulation, Training, and Instrumentation (PEO STRI) has a requirement for the development of Live, Virtual, Constructive-Integrating Architecture (LVC-IA) Enhanced Capability (EC). The performance period is anticipated to be 3QFY16 through 3QFY22. Award of a Cost Plus Fixed Fee (CPFF) delivery order is planned for 3QFY16. All terms, conditions, and clauses from the basic STOCII contract will flow down to this delivery order. Fill-in clauses will be completed at the time of award.

Proposal Submission Instructions

As provided by Section H.16, Delivery/Task Order Ordering Procedures of the STOC II contract, it is requested that you submit a written proposal in response to Enclosure 1, Statement of Work (SOW) for LVC-IA EC. Specific proposal instructions and evaluation criteria are included in Enclosure 2, Proposal Submission Instructions and Evaluation Criteria. Questions concerning this **Draft** RFP or attached documents are required no later than COB April 28, 2015. Questions received after this date may not be answered. Please include the enclosure number, document name, page number, and paragraph number in all questions and comments.
