

Non-Disclosure Agreement – Government Furnished Information (GFI)

The GFI provided on the accompanying hard drive is in support of STOC II-13-KOV-0016 for the Stryker Maintenance Training Systems (MTS) Phase IV.

The prospective offeror/recipient shall only return the hard drive containing GFI to PEO STRI, at no cost to the Government, on the established date during the time of issuance to:

U.S. Army PEO STRI Acquisition Center

ATTN: Carolyn Wardell, Contract Specialist and Patricia Cole Soucy, Procuring Contracting Officer

12350 Research Parkway

Orlando, FL 32826-3276

This NDA will also apply to the request for the Requirement Traceability Matrix (RTM) referenced in page 44, paragraph 4 of Attachment 3 - System Requirements Document of the solicitation. The RTM is also provided.

This information is furnished with the express understanding that:

- a. It is for the use of the recipient only in the conjunction with the Stryker MTS Phase IV requirements; and
- b. It shall be given adequate protection to prevent disclosure to unauthorized persons; and
- c. The hard drive containing GFI shall be returned to PEO STRI to prevent disclosure of contents or reconstruction of the documents.

POC for this action is Carolyn Wardell, Contract Specialist, (407) 208-5812 or carolyn.j.wardell.civ@mail.mil.
