

Serbia Small Arms Tactical Trainer (SATT)

Offeror Requirements Matrix

Company Name: <Enter Name>

Instructions to Evaluator: Use this matrix to determine compliance with the requirements of the Solicitation. You shall evaluate each requirement 'Acceptable' or 'Unacceptable' against each specified section of PRF-PT-00649 System Performance Specification for the Serbia Small Arms Tactical Skills Trainer and STRI-15-W024 Statement of Work for the Serbia Small Arms Tactical Skills Trainer. If determined 'Unacceptable' you shall provide justification in the Notes Section.

Note to Offerors: All proposals must demonstrate that the Offeror has an understanding of the requirements and associated risks as well as possesses the resources and acumen in providing the solutions necessary to meet the requirements set forth in this solicitation. The Government considers statements that the prospective Offeror understands, can or will comply with the statements paraphrasing the requirements or parts thereof, to be inadequate and unacceptable. The Government further considers mere reiteration of the requirement or standard reference material to also be inadequate and unacceptable.

In the reference section you shall provide a page number of your proposal which shows your compliance with the requirements identified below. If the page contains a significant amount of information, then you shall include the specific section/paragraph of the page. Only input data in the reference section. Data input in the acceptable, unacceptable or notes sections will not be considered.

A	Statement of Work	Reference	Acceptable	Unacceptable	Notes
1	Provide proof (i.e. copy of certification / license) that contractor or if applicable its subcontractor holds an Alcohol Tobacco and Firearms (ATF) certification / license allowing for storage of weapon types listed and in accordance with section 3.8 of PEO STRI-15-W024 Statement of Work for the Serbia Small Arms Tactical Skills Trainer				
2	Provide proof (i.e. declaration statement in the proposal) that the proposed SATT is not restricted by any kind of proprietary limited time software license with fees. Nevertheless a one-time permanent proprietary software license with fee would be allowed for the life of the system (i.e. as long as the system is operational) in accordance with PEO-STR1-15-W024 Statement of Work for the Serbia Small Arms Tactical Skills Trainer section 3.9.				
3	Provide proof (i.e. screen shots of GSA website or contractor's website displaying photos of the system and description) that the proposed SATT is an existing proven product currently available to domestic or foreign customers with the ability to be modified or expanded for inclusion of additional lanes as required in accordance with PEO-STR1-15-W024 Statement of Work for the Serbia Small Arms Tactical Skills Trainer section 3.10				
B	Specification	Reference	Acceptable	Unacceptable	Notes
1	Provide signed certification that the proposed SATT will conform with all the requirements delineated in the System Performance Specification for the Serbia Small Arms Tactical Trainer PRF-PT-00649				
2	Provide proof (i.e. target engagement wall screen shots, photos) that the proposed SATT is based on simulation of real life environments in accordance with PRF-PT-00649 System Performance Specification for the Serbia Small Arms Tactical Skills Trainer sections 1.a. and 3.2.3.				
3	Provide proof (i.e. photos, diagrams, sketches) to include explanation of how the proposed SATT conforms with sections 1.e. and 3.2.1. of PRF-PT-00649 System Performance Specification for the Serbia Small Arms Tactical Skills Trainer.				
4	Provide proof (i.e. photos, rifle scope screen shots) to include explanation of how the proposed SATT conforms with section 1.g. and 3.1.6 of PRF-PT-00649 System Performance Specification for the Serbia Small Arms Tactical Skills Trainer.				
5	Provide proof (i.e. test reports, target engagement wall screen shots, photos) of SATT's current interoperability / compatibility with VBS3 and VBS3-Fires in accordance with PRF-PT-00649 System Performance Specification for the Serbia Small Arms Tactical Skills Trainer sections 1.h. and 3.2.3.				
6	Provide proof (i.e. photos, diagram, sketches) to include explanation of how the proposed SATT Instructor Operator Station (IOS) conforms with the diagrams included in figures 3.1.1.a / 3.1.1.b and sections 3.1.3 and 3.1.4 of PRF-PT-00649.				
7	Provide proof (i.e. screen shots, drawings, pictures, diagrams, sketches) of conformance with section 3.1.5 of PRF-PT-00649 (i.e. live weapons integration as simulators into the proposed SATT). Include contract #, customer POC, locations fielded, types of live weapons integrated, and quantities, as applicable.
