

Strategic Discussion Forum Results

At this year's TSIS, PEO STRI conducted a survey to assess the level of interest in establishing a PEO STRI / Industry Strategic Discussion Forum. After reviewing the results, the majority responded affirmatively to establishing the forum.

In preparation for initiating the forum, the following actions are underway:

- Develop a list of topics
- Determine the best way to manage the invitation process
- Determine the dates for the bi-annual forums
- Target 1Q FY09 for the first forum

The PEO wishes to thank those industry partners who participated in the survey; and we look forward to this event.
