

**DMPRC Training Plan and requirements**

Job Title	Training Day	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15
Computer Operator		Welcome aboard/ safety culture/inprocessing/ Range Orientation/ Basic PPE issue/ Beak down future shift assignments/ Time cards/ HR orientation			Armored Vehicle Orientation/ Safety Management program/Initial/ Basic Range Operations procedures/ Introduction to Player Unit Package/ Introduction to Clear Comm System/ Radio Operation and Procedures/ JHA Program/Annual Safety Classes (see appendix A)			Introduction to DRTS System/ Camera positions and control/ 1595 daily range log/ AR385-22 & AR385-63/ Error reporting and log/ Intro to EXCON/ Basic range radio procedure			Camera presets, Inspect Thermalization/ ROC actions during down range maint/ Develop JHAs		EXCON - System start up/ Take Control of run/ Release control/ Load Run for control/ Activate run/ Activate and execute step/ Extend a step/ Copy Step Deactivate Run/ Close Run/ Security clearance check point/ Security clearances			
General Maint Worker		Welcome aboard/ safety culture/inprocessing/ Range Orientation/ Basic PPE issue/ Beak down future shift assignments/ Time cards/ HR orientation			Armored Vehicle Orientation/ Safety Management program/Initial/ Basic Range Operations procedures/ Introduction to Player Unit Package/ Introduction to Clear Comm System/ Radio Operation and Procedures/ Inspect & sign work truck/ Inspect sign for tools/ JHA program & creating JHA/ Annual Safety Classes (see appendix A)			LOTO kit issue/ Lock out tag out prac app/ Intro to down range movement and safety/ Intro to clearing target pit. Intro to SIT, MIT, SAT, MAT, Power stations/ Basic range radio procedure			Construct Targets SIT, SAT, MAT, Develop JHAs/ Truck Fueling safety and procedures		Install SAT target/ Install Hit Sensors/ Install Heat Blanket/ Check Battery charger/ Replace Battery at target pit/ Test Lifter operation/ Heat bed construction/ Security clearance check point/ Security clearances			
Shift Leader		Welcome aboard/ safety culture/inprocessing/ Range Orientation/ Basic PPE issue/ Beak down future shift assignments/ Time cards/ HR orientation			Armored Vehicle Orientation/ Safety Management program/Initial/ Basic Range Operations procedures/ Introduction to Player Unit Package/ Introduction to Clear Comm System/ Radio Operation and Procedures/ Issue tools/ JHA program/ EXCON - System start up/ Take Control of run/ Release control/ Load Run for control/ Activate run/ Activate and execute step/ Extend a step/ Copy Step Deactivate Run/ Close Run (train the trainer)			Introduction to DRTS System/ Camera positions and control/ 1595 daily range log/ AR385-22 & AR385-63/ Error reporting and log/ Intro to EXCON/ LOTO prac app/Down range safety/ Intro to SIT, MIT, SAT, MAT, Camera position, Power stations/ Basic range radio procedure			Build Targets SIT, SAT, MAT, / Build emergency action plan/ Intro to ISO 9000 formatted procedures/ Intro to policy letters/ Safety program walk about and monthly/Supervise the development JHAs		EXCON - System start up/ Take Control of run/ Release control/ Load Run for control/ Activate run/ Activate and execute step/ Extend a step/ Copy Step Deactivate Run/ Close Run/ Receive email accounts/ Security clearance check point/ Security clearances			
Telecomm Tech		Welcome aboard/ safety culture/inprocessing/ Range Orientation/ Basic PPE issue/ Beak down future shift assignments/ Time cards/ HR orientation			Armored Vehicle Orientation/ Safety Management program/Initial/ Basic Range Operations procedures/ Introduction to Player Unit Package/ Introduction to Clear Comm System/ Radio Operation and Procedures/ Inspect sign for tools/ JHA program/ Annual Safety Classes (see appendix A)			Introduction to DRTS System/ Camera positions and control/ 1595 daily range log/ AR385-22 & AR385-63/ Error reporting and log/ Intro to EXCON/ LOTO prac app/Down range safety/ Intro to SIT, MIT, SAT, MAT, Camera position, Power stations			Camera presets, Inspect Thermalization/ ROC actions during down range maint		EXCON - System start up/ Take Control of run/ Release control/ Load Run for control/ Activate run/ Activate and execute step/ Extend a step/ Copy Step Deactivate Run/ Close Run/ Security clearance check point/ Security clearances			
Database engineer		Welcome aboard/ safety culture/inprocessing/ Range Orientation/ Basic PPE issue/ Beak down future shift assignments			Armored Vehicle Orientation/ Safety Management program/Initial/ Basic Range Operations procedures/ Introduction to Player Unit Package/ Introduction to Clear Comm System/ Radio Operation and Procedures/ Annual Safety Classes (see appendix A)			Introduction to DRTS System/ Camera positions and control/ 1595 daily range log/ AR385-22 & AR385-63/ Error reporting and log/ Intro to EXCON/ LOTO prac app/Down range safety/ Intro to SIT, MIT, SAT, MAT, Camera position, Power stations/ Basic range radio procedure			Camera presets, Inspect Thermalization/ ROC actions during down range maint/ Develop JHAs		Intro to COMMS room/ Air conditioning unit/ UPS unit/ Navigating servers and processes/ Navigating Video system and sub systems/ system topology/ Network topology/ Presentation systems./ Security clearance check point/ Security clearances			
Supply Tech		Welcome aboard/ safety culture/inprocessing/ Range Orientation/ Basic PPE issue/ Beak down future shift assignments/ Time cards/ HR orientation			Intro to maximo/ Basic Range supply operations overview/ Introduction to Contacts/ Office organization/ Meet and Greet range control/ Equipment storage plan/ Issue tool and equipment/ JHA program/ Annual Safety Classes (see appendix A)			Intro to maximo 6 (DVD Class) Maximo Basics/ Set up profile and password/ Set up start center/ Basic range radio procedure			Equipment types for the DMPRC/ Work Orders/ Job Plans/ Plans tab/ actuals tab/ Labor and materials/ Preventive Maint/ Develop JHAs/ Issue or reorder Job specific PPE		Work Drill downs/ Maximo forms/ Barcoding/ Stock types/ Additional Locations/ Order and issue unit/ rotating items/ Storerooms/ Physical Inventory/ Security clearance check point/ Security clearances			

Job Title	Training Day	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30
Computer operator		How to score run/ Scoring a run/ How to use timeline/ Create AAR/ EXCON Prac app			EXCON Prac app/ Intro to RDE/ Inreo to AAR and AMX system			SYSCON - Intro to SYSCON/ Create a training event w/ operators			*EXCON Certification		Work Orders/ Communicate with Down range/ SYSCON - Load training event from data base/ Import Force structure/ Import Scenario/ Import battle roster/ Create run/ Add forces to run/ Add crew to run/ Manage wireless video management/ Assign player unit to channel			
General maint Worker		Install MAT target/ Inspect track/ Install Hit Sensors/ Install Heat Blanket/ Check Battery charger/ Replace Battery at target pit/ Test Lifter operation/ Test transport/ MAT radio and fiber communication		Install SIT & MIT target/ Inspect track/ Install Hit Sensors/ Install Heat Blanket/ Check Battery charger/ Replace Battery at target pit/ Test Lifter operation/ Test transport of MIT		Install Player Unit on Tank M1A1 and M1A2/ non-standard PU installation		Install BEO/ FSE tool/ Install Player Unit on Bradley		Shiftwork Classes/ Night time operations Classes/ Night driving classes/ Troubleshoot MAT,SAT,SIT,MIT/ Generator operation/ Battery room & charging procedures/ Maint building organization/ Work orders/ load a flash program to target lifter/ Control target using laptop/ Run diagnostics on lifter/ Player Unit Install Prac app/ Communicate with ROC						
Shift Leader		Install MAT target/ Inspect track/ Install Hit Sensors/ Install Heat Blanket/ Check Battery charger/ Replace Battery at target pit/ Test Lifter operation/ Heat bed construction		Install SIT & MIT target/ Inspect track/ Install Hit Sensors/ Install Heat Blanket/ Check Battery charger/ Replace Battery at target pit/ Test Lifter operation/ Test transport of MIT		Install Player Unit on Tank/ Tactical Micro		Install BEO/ FSE tool		Maximo 6 & Work orders (train the trainer)		*EXCON Certification		Shiftwork Classes/ Night time operations Classes/ Night driving classes/ Troubleshoot MAT,SAT,SIT,MIT/ Generator operation/ Battery room & charging procedures/ Maint		
Telecomm Tech		Intro CTIA/ VWS	Intro to hardware/ Intro to logs/ Navigating Servers and DRTS System/ Intro to data voice systems/ DRTS Start up procedures/ Intro to start up server processes/ SINGGARS radio system operation and programing/ SDT in depth/ RDE in depth/ Intro to AMX system/ AAR station operation				Install Player Unit on Tank/ Tactical Micro/ Quality Contol Checks		Install BEO/ FSE tool		TOMC/ VWS/ K2 and PWS/ SINGGARS radio system operation and programing/ Intro to aimet			Work Orders/ Communicate with ROC/ Intro to FTI and FBCB2		Intro to DAUVS and FBCB2/ 1553 buss data
Database engineer		Intro CTIA/ VWS	Intro to hardware/ Intro to logs/ Navigating Servers and DRTS System/ Intro to data voice systems/ DRTS Start up procedures/ Intro to start up server processes/ SINGGARS radio system operation and programing/ SDT				Network architecture/ Routers and Oracle Data base management			TOMC/ VWS/ K2 and PWS/ SINGGARS radio system operation and programing/ Intro to aimet/ Tactical Micro Video system/			Work Orders/ Communicate with ROC		Intro to DAUVS and FBCB2/ 1553 buss data	
Supply Tech		Work Drill downs/ Maximo forms/ Barcoding/ Stock types/ Additional Locations/ Order and issue unit/ rotating items/ Storerooms/ Physical Inventory		Reconciliations/ Reorder points/ Hand receipt dates/ change of hand receipts/ Move and modify/ PR internal & credit card/ RMA process/ IRF/ PR/PO tracker/ Locating vendors/ Maint request form/ Maint register/ # work order form			Internal documents and forms/ repair procedures/ Vehicle logbooks/ Personal info and records/ Raytheon CAC and badges (procedures)		Primavision	Maximo 6 & Work orders (train the trainer)			Work Orders/ Communicate with ROC		Barcoding and Inventory Plan Creation	

**DMPRC Training Plan and requirements**

Job Title	Training Day	31	32	33	34	35	36	37	38	39	40	41	42	43	44	45	
Computer Operator		Work Orders/ Communicate with Down range/ SYSCON - Load training event from data base/ Import Force structure/ Import Scenario/ Import battle roster/ Create run/ Add forces to run/ Add crew to run/ Manage wireless video management/ Assign player unit to channel			SYSCON - Prac app/ Safety and ISO procedures for operating targetry on the DMPRC				*SYSCON - Certification/			SDT/ FSE/ Non- standard Scenarios/ Field Camera operation and tools/ Camera Presets/ AAR & Video edit Station/ Present AAR		*SDT Certification	Troubleshooting and recording of faults/ Intro AAR and Video System/ Powerpoint manipulation/ Create Test Forces and Structure		
General Maint Worker		Install Targets Certification/ Night Driver Training			Install, Configure, Uninstall Player Unit packages Prac App. Trouble Shoot Player Unit and GEAVS system/ FSE tool/ Understaning Platforms/ procedures for operating targetry on the DMPRC		Build and Install Targets on lifters Prac app/ Services Target Lifters prac app/ Install Targets on range Prac App/ Procedures for checking down range prac app/ Communication procedure with ROC while down range/ 4 wheel drive truck operation prac app/ Power tool use prac app				*FSE tool/ Program lifter/ Power tool/ Down range procedure Certification		Tractor safety/ operation and licensing/ Tractor operation prac app/ Weed eater safety/ operation and licensing/ Prac app/				
Shift Leader		Clear Comm Radio system: Station operation, Programing software, Central controller/ Rabbit boards programing, codes, SNMP/ XSTREAM: Product info, program and configuration, Target interfaces (SIT, SAT,MAT,MIT) Night driver training			DRTS Target subsystem/ Fiber Infrastructure/ Field camera Infrastructure/ Video Subsystem/ AAR theater/ Networks & Servers/ Study Manual on hardware/ Windows Operating Systems/ Security settings				DC1/ GW1/ CTIA1/ FS1/ DB1/ HP openview/ Ether Peek/ Omnitron Network Node Manager/ Optelecomm SNMP/ Cisco Cluster Management Suite/ Wireless Network			Domain Controllers/ DHCP Server/ DHS Server/ Windows operating Systems Network Settings/ Cisco Indepth/ Port Span/ VLAN/ Domain Time/		Tractor safety/ operation and licensing/ Tractor operation prac app/ Weed eater safety/ operation and licensing/ Prac app/			
Telecomm Tech		Clear Comm Radio system: Station operation, Programing software, Central controller/ Rabbit boards programing, codes, SNMP/ XSTREAM: Product info, program and configuration, Target interfaces (SIT, SAT,MAT,MIT)			DRTS Target subsystem/ Fiber Infrastructure/ Field camera Infrastructure/ Video Subsystem/ AAR theater/ Networks & Servers/ Study Manual on hardware				DC1/ GW1/ CTIA1/ FS1/ DB1/ HP openview/ Ether Peek/ Omnitron Network Node Manager/ Optelecomm SNMP/ Cisco Cluster Management Suite/			Domain Controllers/ DHCP Server/ DHS Server/ Windows operating Systems Network Settings/ Cisco Indepth/ Port Span/ VLAN/ Domain Time/		Grassvalley: Gecko AD converters/ Concerto Router: Settings and interfaces/ XP1 And XP2/ DRTS Grass Valley Interfaces/ Netcenteral/ Media Manager/ AMX			
Database engineer		Clear Comm Radio system: Station operation, Programing software, Central controller/ Rabbit boards programing, codes, SNMP/ XSTREAM: Product info, program and configuration, Target interfaces (SIT, SAT,MAT,MIT) Night driver training			DRTS Target subsystem/ Fiber Infrastructure/ Field camera Infrastructure/ Video Subsystem/ AAR theater/ Networks & Servers/ Study Manual on hardware/ Camera CIC programing and Camera operation (local)				DC1/ GW1/ CTIA1/ FS1/ DB1/ HP openview/ Ether Peek/ Omnitron Network Node Manager/ Optelecomm SNMP/ Cisco Cluster Management Suite/ Wireless Network			Domain Controllers/ DHCP Server/ DHS Server/ Windows operating Systems Network Settings/ Cisco Indepth/ Port Span/ VLAN/ Domain Time/		Grassvalley: Gecko AD converters/ Concerto Router: Settings and interfaces/ XP1 And XP2/ DRTS Grass Valley Interfaces/ Netcenteral/ Media Manager			
Supply Tech		Inventory and storeroom setup/ Barcoding Prac app/ local vendor identification/ Maximo Prac app/ Setup DHL/ UPS/ FEDEX accounts/ Understanding Procards/ RSVPN Prac app/ Understanding HR procedures/ RAO Communication/ Physical inventory continued															

Job Title	Training Day	46	47	48	49	50	51	52	53	54	55	56	57	58	59	60
Computer operator		EXCON/ SYSCON/ SDT Prac app/ Build Scenario in SDT/ Build & Edit Forces/ Build test training event/ Import test scenario/ Create runs/ Identify all range assets and instrumentation packages/Create templates/ Execute test runs/ Build AAR/ Present AAR/ Record AAR to hard drive/ Burn THP			*AAR Station Certification	Prep For MRE/ Test Runs/ Conduct target sweep (Pre effort)		Conduct walk through MRE	MRE AAR	Conduct MRE (effort)	MRE AAR	MRE (Post-effort)	(NIGHT) Conduct MRE (pre-effort)	(NIGHT) Conduct MRE (effort)	(NIGHT) MRE (Post-effort)	MRE AAR/ Team walk about
		46	47	48	49	50	51	52	53	54	55	56	57	58	59	60
General maint Worker		Player Unit and maint bay organization/ Movement to target pit prac app/ Install and trouble shoot player unit Prac app/ Install pad walk through/ Player Unit Instal Quality control			*Player Unit Certification	Prep for MRE/ Install Player Unit/ Prep down range targets/ Conduct target sweep (Pre-effort)		Conduct walk through MRE	MRE AAR	Conduct MRE (effort)	MRE AAR	MRE (Post-effort)	(NIGHT) Conduct MRE (pre-effort)	(NIGHT) Conduct MRE (effort)	(NIGHT) MRE (Post-effort)	MRE AAR/ Team walk about
		46	47	48	49	50	51	52	53	54	55	56	57	58	59	60
Shift Leader		Primavision/ RAO Server/ RSVPN/	*AAR Station training & Certification	JHA review/ Reporting procedures/ Intergrated range schedule/ Prepare intake packet	Emergency action plan review/ MRE walk through Management/ Employee schedule/ Colorado employee laws/ SCA employee regulations and laws/	Prep for MRE/ Conduct Target MRE validation/ Range log/ fault log/ Safety incident report/ OSHA regulations review/ Performance evaluation class and prac app (Pre-effort) Approve work order		Conduct walk through MRE/ Check PPE and JHAs	MRE AAR	Conduct MRE (effort)	MRE AAR/ Check job plans/ Check PPE	MRE (Post-effort)	(NIGHT) Conduct MRE (pre-effort)/ approve work orders/ Intake packet/ Coordinate with COR	(NIGHT) Conduct MRE (effort)	(NIGHT) MRE (Post-effort)	MRE AAR/ Team walk about/
		46	47	48	49	50	51	52	53	54	55	56	57	58	59	60
Telecomm Tech		DAUVS/ FBCB2	AAR Station training	Cold start procedures & prac app/ VWS restart parac app/	Prep for MRE (pre-effort)		Conduct walk through MRE	Ghost software/ Security software/ firewall/ JEDI/ MRE AAR	Conduct MRE (effort)	MRE AAR	MRE (Post-effort)	(NIGHT) Conduct MRE (pre-effort)	(NIGHT) Conduct MRE (effort)	(NIGHT) MRE (Post-effort)	MRE AAR/ Team walk about	
		46	47	48	49	50	51	52	53	54	55	56	57	58	59	60
Database engineer		DAUVS/ FBCB2	AAR Station training	Cold start procedures & prac app/ VWS restart parac app	Prep for MRE (pre-effort)		Conduct walk through MRE	Ghost software/ Security software/ Firewall/ JEDI	Conduct MRE (effort)	MRE AAR	MRE (Post-effort)	(NIGHT) Conduct MRE (pre-effort)	(NIGHT) Conduct MRE (effort)	(NIGHT) MRE (Post-effort)	MRE AAR/ Team walk about	
		46	47	48	49	50	51	52	53	54	55	56	57	58	59	60
Supply Tech		Prepare warehouse and storerooms for operations			Inventory and prepare for issue Player Unit kits for MRE/ open work order	Prep for MRE (pre-effort)		Conduct walk through MRE	MRE AAR	Conduct MRE (effort)	MRE AAR/ Close work order/ Order any PPE needed as per MRE	MRE (Post-effort) Close work orders	(NIGHT) Conduct MRE (pre-effort)/ work order	(NIGHT) Conduct MRE (effort)	(NIGHT) MRE (Post-effort)	MRE AAR/ Team walk about
		46	47	48	49	50	51	52	53	54	55	56	57	58	59	60

**DMPRC Training Plan and requirements**

Job Title	Training Day	61	62	63	64	65	66	67	68	69	70	71	72	73	74	75
Computer Operator		Computer maint prac app	MSDS Hazardous communication cabinet set up	Develop Unit intake and scenario packet	Additional fuel point training	RDE training	RDE prac app	AAR station prac app		* Make up AAR Station Certification/ *RDE certification	AAR and THP training/ Certification oversight		Boom Lift Training/ Fall protection Training/ Vehicle and equipment Licensing and certification			
General Maint Worker		*Make up Player Unit and Target install Certification	SAT, MAT, ST, MIT troubleshooting prac app/ JHA review Player Unit install	Develop Unit intake and scenario packet/ Night driver training	Additional fuel point training/ Night Driving prac app	*Fuel point certification	BES training/ Ammunition transportation safety/ BES safety/ BES JHA creation and walk through/ Refine BES procedures/ BES prac app			AAR station prac app	* AAR Station Certification	Boom Lift Training/ Fall protection Training/ Vehicle and equipment Licensing and certification				
Shift Leader		*Make up Player Unit and Target install Certification	SAT, MAT, ST, MIT troubleshooting prac app/ JHA review Player Unit install	Develop Unit intake and scenario packet/ Night driver training	Additional fuel point training/ Night Driving Prac app	RDE training	BES training/ Ammunition transportation safety/ BES safety/ BES JHA creation and walk through/ Refine BES procedures/ BES prac app			AAR station prac app	* AAR Station Certification	Boom Lift Training/ Fall protection Training/ Vehicle and equipment Licensing and certification				
Telecomm Tech		*Make up Player Unit and Target install Certification	Cold Start procedure/ restart procedure/ CTIA alerts/ restart processes/ Delete video from system		RDE training	RDE prac app	AAR station prac app		* AAR Station Certification/ *RDE certification	* EXCON/ SYSCON/ SDT Certification	Blueprint and schematics/ Wireless network topology	Boom Lift Training/ Fall protection Training				
Database engineer		DRTS Oracle database Management, Administration and operation				RDE training	RDE prac app	AAR station prac app		* AAR Station Certification/ *RDE certification	* EXCON/ SYSCON/ SDT Certification	Blueprint and schematics/ Wireless network topology	Boom Lift Training/ Fall protection Training/ Vehicle and equipment Licensing and certification			
Supply Tech		Barcoding and shipping/ GOE & GFE/ Unit property book	MSDS Hazardous communication cabinet set up	Develop Unit intake and scenario packet	Additional fuel point training	*Fuel point certification	Creation of Technical Manuals Library		Maximo Training		*Maximo Certification	Boom Lift Training/ Fall protection Training/ Vehicle and equipment Licensing and certification				

Job Title	Training Day	76	77	78	79	80	81	82	83	84	85	86	87	88	89	90
Computer operator		30 Hour OSHA outreach training			Move to 24 hour Shifts	Prep for MRE	Conduct MRE (pre-effort)	Conduct MRE (effort)	MRE (Post-effort)	Make up for Certifications/ MRE AAR	Conduct MRE (pre-effort)	Conduct MRE (effort)	MRE (Post-effort)	MRE AAR	MRE	MRE/ Ranges Managers Inspection
		76	77	78	79	80	81	82	83	84	85	86	87	88	89	90
General maint Worker		30 Hour OSHA outreach training			Move to 24 hour Shifts	Prep for MRE	Conduct MRE (pre-effort)	Conduct MRE (effort)	MRE (Post-effort)	Make up for Certifications/ MRE AAR	Conduct MRE (pre-effort)	Conduct MRE (effort)	MRE (Post-effort)	MRE AAR	MRE	MRE/ Ranges Managers Inspection
		76	77	78	79	80	81	82	83	84	85	86	87	88	89	90
Shift Leader		30 Hour OSHA outreach training			Move to 24 hour Shifts	Prep for MRE	Conduct MRE (pre-effort)	Conduct MRE (effort)	MRE (Post-effort)	Make up for Certifications/ MRE AAR	Conduct MRE (pre-effort)	Conduct MRE (effort)	MRE (Post-effort)	MRE AAR	MRE	MRE/ Ranges Managers Inspection
		76	77	78	79	80	81	82	83	84	85	86	87	88	89	90
Telecomm Tech		30 Hour OSHA outreach training			Move to 24 hour Shifts	Prep for MRE	Conduct MRE (pre-effort)	Conduct MRE (effort)	MRE (Post-effort)	Make up for Certifications/ MRE AAR	Conduct MRE (pre-effort)	Conduct MRE (effort)	MRE (Post-effort)	MRE AAR	MRE	MRE/ Ranges Managers Inspection
		76	77	78	79	80	81	82	83	84	85	86	87	88	89	90
Database engineer		30 Hour OSHA outreach training			Move to 24 hour Shifts	Prep for MRE	Conduct MRE (pre-effort)	Conduct MRE (effort)	MRE (Post-effort)	Make up for Certifications/ MRE AAR	Conduct MRE (pre-effort)	Conduct MRE (effort)	MRE (Post-effort)	MRE AAR	MRE	MRE/ Ranges Managers Inspection
		76	77	78	79	80	81	82	83	84	85	86	87	88	89	90
Supply Tech		30 Hour OSHA outreach training			Move to 24 hour Shifts	Prep for MRE	Conduct MRE (pre-effort)	Conduct MRE (effort)	MRE (Post-effort)	Make up for Certifications/ MRE AAR	Conduct MRE (pre-effort)	Conduct MRE (effort)	MRE (Post-effort)	MRE AAR	MRE	MRE/ Ranges Managers Inspection
